Archie Stimmel Pitches a Very Fine Game and Prevents a Shutout by His Own Error.

Toledo at Minneapolis.

Special to the Indianapolis Journal. MILWAUKEE, Wis., Aug. 11.-Archie Stimmel, the twirler released by Minneapolis and picked up at once by Cantillon, was too much for Indianapolis to-day and the Brewers won a well-played game by ascore of 2 to 1. He allowed the visitors but two clean hits until the last inning, when two singles were of no avail. He was wild at times, and his error cost him a shutout game, but he was steady when steadiness was needed and struck out man after man. In the third inning he passed two batters and hit another and then struck out the next two up. In the field the honors were about even, although there was little brilliant work by either team. Tamsett and Fox played good games at third and second while Viex and Donahue did good work for Milwaukee.

The game started out with prospects of being a pitchers' battle, and the first three innings were so. Donahue singled in the first, but not another hit was secured until the third, when two singles and a double scored twice for Milwaukee.

Newlin was steady at all other times, and the Brewers had hard work in getting to first. Indianapolis scored in the fifth inning, when Marcan bunted down between pitcher and first. Stimmel fell in going after the ball and Marcan beat it out. Stimmel tried to throw from a sitting position and the ball went wild, Marcan reaching second. Kihm sent a hard one to Unglaub, the ball taking a bound into the field. Marcan scored and Kihm reached third on the first out. The side was quickly retired before he could be forced across the plate. Indianapolis started a batting rally in the

ninth, Woodruff and Heydon getting clean singles, but they were without avail. Score: A.B. R. H. O. A. E Ganley, rf Cunleavy, If2 demphill, cf Viox, s Stimmel, p328 2 7 A.B. R. H. O. Hogriever, rf4 Coulter, cf4 Woodruff, lf4 Heydon, c Marcan, s Kihm, 1 Newlin, p Score by innings:

SALE OF SEATS FOR CORBETT-JEF-FRIES BOUT WILL BE LARGE.

Estimated That the Gate Receipts Will Reach \$50,000-Both Taper-

ing Off in Their Training.

SAN FRANCISCO, Aug. 11.-While betting is rather quiet on the big fight about lack of interest in this respect is more than made up by the enthusiasm which is being ing contest. It is now said that the sale of seats for the contest will be the largest in the annals of pugilism in this city. It is certain that the heavyweights will box \$50,000. It is said that more people are scheduled to travel a greater distance than they did to see Fitzsimmons and Jeffries here last summer, and it is expected that nearly a third of the vast audience will be made up of visitors from out of town. Both the men are now tapering off in their training. Corbett still does a fair amount of work, but it is principally limited Kid Henderson, of this city, and Kid Car- to physical culture movements with an occasional game of ball thrown in. He is taking no chance, however, of injuring his hands, considering that he has gone too far now in reaching his present state to jeopardize a single ligament for the sake of amusement. At Harbin Springs, Jeffries is finishing up work with the intention of an immediate departure for some convenient place in the

vicinity of this city. It is expected that he will be here on Thursday in the best possible shape to enter the ring on Friday evening. Both men are said by experts to be in the pink of condition. James J. Corbett was to-day examined by Dr. Clarence Tillman, the official physician of the Yosemite Athletic Club, and was pro-nounced in perfect health, and, in fact, a better man than ever before. To-day Corbett took a jaunt on the road and practiced with the gloves in the gymnasium. He is in perfect condition and knows it, but is not willing to take a chance on going back in his preparation by taking an ill-advised rest. Like Jeffries, he varied his work with pleasure and has avoided the nervous strain which marked his condition in getting ready for previous

PANAMA, Aug. 11.—The latest news from Bogota is not favorable to the ratification of the canal treaty. A correspondent writes that seven senators favor and seventeen oppose ratification and that unless some radical change occurs soon all efforts to secure its ratification will fail.
